

FORCES UNDER GENERAL ZAPATA ARE MAINTAINING ORDER IN MEXICO CITY

ZAPATA TROOPS ENTER CAPITAL ON HEELS OF BLANCO'S MEN WEDNESDAY MORNING

**Zapatistas Meet With Resistance On Outskirts But Put City's
Defenders to Rout After Sharp Fighting—Convention
Forces Under General Villa Were Expected to Arrive
in Mexican Capital Late Last Night.**

Washington, Nov. 25.—The forces of General Zapata occupied Mexico City last night and are maintaining order, according to official telegrams from Mexico City dated tonight and received here late last night. Two messages were received, one from the Brazilian minister and the other from American consul Silliman. Both were filed in Mexico City this morning. Mr. Silliman reported that the Zapata forces after sharp fighting in the outskirts of the Mexican capital yesterday afternoon in which sixty soldiers were reported killed, entered just as the forces of General Blanco evacuated the city. There was some disorder and looting in the brief interval between the evacuation by Blanco and the arrival of the Zapata troops, but the city was quiet immediately afterwards. The convention forces under General Villa according to Mr. Silliman were expected late today.

Will Maintain Order.
The Brazilian minister said he had received full assurances from the Zapatistas that they would maintain order. He said that contrary to previous promises to the diplomatic corps and without taking any measures to protect the city General Blanco left the city at 3 a. m. yesterday. The Brazilian minister immediately sent a commission consisting of Carlos Cordillo, secretary of the Brazilian legation, Charles Parker and S. F. Fuller to visit the Zapata headquarters. They were assured that full protection would be given the city. In the meantime, before the Zapata forces entered, Colonel Saldaña assisted by former Governor Iturbide in agreement with the diplomatic corps organized patrol service with the police force whose arms had been taken from them by the departing troops.

Notwithstanding the constant entry of Zapata troops during the night, the Brazilian minister said, order had been maintained. He also said the Villa forces were expected at any moment.

Has Denounced Convention?
El Paso, Nov. 25.—General Zapata personally has entered Mexico City and has denounced the Aguas Calientes convention according to a message from the capital given out today by the Carranza agency here. It was stated also that General Carranza with his troops had reached Orizaba, midway between the capital and Vera Cruz.

The Carranza partisans were jubilant asserting that Zapata and Villa would not agree, and that the Villa convention party and troops soon would be quelled by the Carranza forces.

The Villa agents professed disbelief of the reports from Washington and Mexico City that there had been disorders in the capital or even that Zapata forces had entered. The Villa forces had relied largely upon the allegiance to the convention of Blanco.

Juarez officials conferred by telegraph with General Villa who was at Tula, two hours by train or automobile from Mexico City. Villa was quoted as having said that he had received no word of disorders in Mexico City nor of the change of government. He said there was no telegraph operating south of his position. He discredited the report however, because he stated that Felicitas Villareal, a convention cabinet member had arrived at Tula yesterday, with the report that Blanco was in perfect accord with the convention party. Villa intimated that he would hasten to the capital with cavalry.

May Strengthen Carranza Power.
It was declared that the Carranza leaders from the beginning had intended to allow the Zapata guerrilla forces to enter Mexico City before the Villa troops in order to demonstrate that Zapata and Villa could not maintain order. By pitting the southern and northern leaders against each other it was expected to strengthen the Carranza power. Blanco did not evaluate previously it was pointed out, on account of fear of American intervention. The removal of the troops from Vera Cruz had hastened the evacuation while Villa's troops were held outside the capital by the destruction of the railroad.

Fighting at Cardenas, near Tampico, was reported today in official advices to both Carranza and Villa agencies here. Both sides claimed an absolute victory. The Villa factionists declared that Colonel Vasquez the former federal commander of lower California, had turned over that territory to the convention side.

Capt. Hill's Explanation.
Washington, Nov. 25.—The explanation of Captain Walter N. Hill, U. S. Marine corps, of published statements attributed to him which predicted dire consequences would follow the American evacuation of Vera Cruz, was received by Secre-

War News Summarized

The military party in Petrograd continues to insist that there has been a great Russian victory on the battlefield between the Warta and Vistula rivers in Poland. This claim is based on official reports which even assert that an entire German army corps has been broken up and that forty eight trains, which will accommodate 50,000 wounded and prisoners, have been ordered out from Warsaw.

The German official report on the other hand, declares the Russian offensive in this region has been checked. The latest communication from the Russian General staff says the fighting near Lodz continues but that the German forces are pressed on every side and are making a supreme effort to cut their way through the north. The Germans also claim to have brought the Russian advance to a stop in East Prussia and before Cracow, Galicia. A Russian official statement says that the Russians manifestly have the upper hand near Cracow.

A significant statement regarding the Russian operations comes from Budapest. It is admitted in the Hungarian capital that the Russian troops again have invaded Hungary and have reached the county of Ung, 35 miles south of the Carpathians and the county of Zemplin, 50 miles south of those mountains.

According to this report the troops which invaded Ung have been driven back to the frontier while action is being taken against those in Zemplin.

In the western theatre the fighting consists to a large extent of artillery duels and according to French official statements it is comparatively quiet in that region. The statement by the French war office that the allies have been able to bombard Arrasville is considered significantly by military experts. Arrasville is on the Lorraine frontier and is only eleven miles southwest of the City of Metz, one of Germany's great fortresses.

Despite the comparative inactivity in the western field there is evidence that the Germans are planning another desperate attempt to force their way through to the French ports. The reports show that the Germans are bringing up reinforcements and guns but there is no indication as to where they intended to deliver the blow.

Every preparation has been made by allies to meet this assault.

Along the east and south coasts of England preparations are being made to repulse any possible attempts at invasion by Germany. Plans have been completed for the withdrawal of women and children from the areas which may be threatened and for the withdrawal of live stock and anything that may be useful to the invaders. Rifle clubs have been organized and are drilling.

Germany also fears an invasion by the allies and is making extensive preparations to guard against such an eventuality, according to a Copenhagen despatch. It is said that the Germans are strengthening the old fortresses in the former Danish territory of Schleswig-Holstein and a line of outposts along the northern side of the Kiel canal. It is on the shore of Schleswig, the report says, that an invasion is feared.

The General staff of the Russian army in the Caucasus says that the Turkish forces are still retreating before the Russians in the region about Erzerum.

A despatch from Berlin says it is reported that British Indian troops along the Suez Canal have been defeated and that the Turks are advancing with heavy batteries to destroy the constructive works of the canal and bottle up the British warships now in that waterway.

Considerable diplomatic activity in the Balkans is reported. There is talk of a re-organization of the Balkan league which would bring to the side of the allies all the Balkan states.

The Earl of Beauchamp, first commissioner of works in the British cabinet during a speech at a banquet to the officers of the Santa Claus ship Jaffon at Plymouth, made a statement which is attracting considerable interest. In expressing England's appreciation of the peace treaty between Great Britain and the United States, he said he was not at all sure that within the next few months the possibilities of future peace would not be along the lines suggested by President Wilson and Secretary of State Bryan.

TO RESUME RESHIPMENTS

Chicago, Nov. 25.—Re-shipment of cattle from the Union Stock Yards, forbidden because of foot and mouth disease, will be resumed on Saturday under certain restrictions, it was announced today. Workmen were busy on a high board fence dividing the yards. On one side of this fence will be received and re-shipped cattle from states not under the federal quarantine. On the other side will be received cattle from Illinois and other quarantine states which must be slain at once.

AMERICAN EXPORT TRADE SHOWS SIGNS OF REVIVAL

October Ends With Balance of Trade in Favor of U. S. of Over \$57,000,000.

Washington, Nov. 25.—American export trade, crippled by the European war, showed signs of revival during October and the month ended with a balance of trade in favor of the United States of more than \$57,000,000, as shown by statistics issued today by the department of commerce.

There was an increase of more than \$39,000,000 in October exports over September although the total was almost \$78,000,000 below October, 1913. Imports in October fell off more than \$1,000,000 from the September trade but were \$1,100,000 more than during October last year.

In the \$195,404,630 October exports, foodstuffs, crude and manufactured and food animals, formed the principal item with a total of \$73,635,000, an increase of \$32,000,000 over October 1913. Crude manufacturing materials showed a decrease, their value being \$32,989,000 as compared with \$125,239,000 a year ago. Manufactures also fell off \$53,589,000, being exported last month compared with \$68,824,000 in October last year.

The loss of Germany's trade amounting to almost \$49,500,000, was the principal cause of the decreased exports. Belgium's trade also dropped almost \$6,000,000. There was a decrease in exports to France of \$9,000,000 while exports to Japan dropped \$3,000,000; to Holland \$3,000,000 and China \$1,000,000.

England and the United Kingdom showed an increase of \$1,400,000 and Canada a decrease of almost \$10,000,000. Argentina took \$3,400,000 and Brazil \$2,500,000 less of American exports than in October last year. Russia took \$1,400,000 more than in October a year ago and Italy \$3,600,000 more.

Europe as a whole showed a decrease of \$50,000,000 in the taking of American goods; North American countries \$11,600,000 less; Asia \$5,000,000 less and Oceania \$1,600,000 less. Africa was the only grand division showing an increase which was \$427,000.

WORLD CHAMPIONSHIP WILL CONSIST OF ELEVEN GAMES

President Ban Johnson Announces That Prices to Games Will Be Lower and Number of Games Increased.

Chicago, Nov. 25.—The baseball series for the championship of the world will consist of eleven games next year instead of seven and prices will be lower, according to B. B. Johnson, president of the American league. The question of cutting prices for the world series was considered at a recent meeting of the American league here and after a tentative agreement was reached, Johnson submitted the proposal to National League club owners.

A letter from August Herrmann said the National owners had agreed to the change and that a plan would be worked out and adopted at the annual meeting in January.

Herrmann Denies Letter.
Cincinnati, Nov. 25.—Chairman August Herrmann of the National Baseball commission denied emphatically here tonight that he had ever written to president B. B. Johnson of the American league advising that the number of games in the world's series be changed from seven to eleven and the prices reduced.

"I certainly wrote no such letter," said Herrmann. "As far as I know that matter has not even been considered by the National league club owners. Newspaper talk on the subject is the only information I have and even that is meagre."

SHORTENS SENTENCE OF PAROLED CONVICT

Chicago, Nov. 25.—Harry Neville aged 22, is thankful that he is going to be free tomorrow, thereby shortening a sentence of Charles Eddy, with whom he had been caught attempting burglary. Neville was released, on probation, it being his first offense. Eddy, a paroled convict was about to receive a thirteen years sentence for violating his parole when Neville pleaded for him.

"Give me half of it judge," he begged. "I won't have anything to be thankful for if I'm free and Eddy is facing 13 years. The burglary was my fault."

Judge Dever gave both men a jail sentence.

ISSUES CALL FOR STATEMENT

Springfield, Ill., Nov. 25.—State Auditor of Public Accounts James J. Brady today issued a call for a statement of the condition of the 754 state banks in Illinois at the commencement of business on Nov. 25th. This is an increase of three banks in the total number shown by the last statement, made to the auditor Sept. 14th.

FIREMEN'S BALL TONIGHT

The annual Firemen's ball will be held tonight in Armory hall and according to all indications will be one of the most successful events of its kind in recent years. More tickets have been sold than ever before and a large number have entered the event this year. Music will be furnished by Powers' orchestra.

BOARD OF EQUALIZATION REPLIES TO GOVERNOR

STATE BOARD ANSWERS DUNNE'S STATEMENT REGARDING R. R. TAXES

Board Declares it Has Not Had Co-Operation of the State Utilities Commission in Its Efforts to Arrive at Just Valuations—Capital Stock Assessments Show Few Changes.

Springfield, Ill., Nov. 25.—The state board of equalization, taken to task in a statement made by Governor Dunne yesterday for its alleged failure to properly tax the railroads and other corporations of the state, today made formal reply to the governor before adjourning for the year.

In a statement concurred in by all members of the board present, it is declared that the board has not had the co-operation of the state utilities commission in its efforts to arrive at a just valuation of the public utility corporations, and that despite stagnation in the railroad business, and decreased earnings the state board has this year increased the assessment of railroads \$1.3 per cent over 1913, and that in the past two years the assessment of the railroads have been increased \$55,000,000.

The statement states that before the utilities commission took over the functions of the railroad and warehouse commission the reports of the railroad and warehouse commission have been printed in time for the board of equalization to make use of them. This year, the statement says, the report of the utilities commission for the year ending July 1st, 1913, was not given them until board was ready to adjourn. Members of the utilities commission, says the statement, were requested by members of the board of equalization to give them information regarding the railroads, but refused to do so.

The statement says that all its sessions have been public and that anyone caring to do so may secure stenographic reports of all the sessions. This is in answer to the allegation that its sessions were held behind closed doors.

In conclusion the governor is urged to approve an increased appropriation made the board by the legislature in order that its work may be facilitated.

Few Changes in 1913 Figures.

The list of 1914 capital stock assessments, made by the state board of equalization, which adjourned for the year today, show few changes in the figures of 1913.

The capital stock of the Chicago City railway company is assessed the same as last year, \$2,893,636; the Chicago railways at \$3,798,959, the same as 1913; and the Commonwealth-Edison company at its old figure of \$3,000,000. People's gas, which reported an increase in capital stock was increased from \$7,978,552 to \$9,557,048. The Pullman company was raised from \$4,760,000 to \$5,042,482.

The assessment against the American Telegraph & Telephone was reduced from \$50,000 to \$40,000 and the Chicago Tunnel company was given the assessment of last year, \$50,000.

Assessed valuation of property in the state is divided as follows:
Lands \$ 695,289,671
Lots 1,206,784,592
Personal property 504,124,841
Steam railroads 190,749,368
Electric railroads 13,825,967
Capital stock of railroads 3,313,415
Capital stock of corporations other than railroads 31,178,125

CROKER TO WED GRAND-DAUGHTER OF CHEROKEE INDIAN WARRIOR

Former "Big Chief" of Tammany Hall at Age of 73 Years Secures License to Marry 23 Year Old Singer.

New York, Nov. 25.—Keturah Kaluntchy, whose grandfather, Chief Sequoy, was a Cherokee warrior and wise man, is the bride to be of Richard W. Croker, who used to be the "Big Chief" of Tammany Hall. Her father, a Scotchman married Princess Sequoyah, the Indian chief's daughter.

This developed tonight when a marriage license was issued to Richard Weist Croker, 73 years old, no occupation and Miss Beulah Benton Edmondson, 23 years old, a singer.

Arrangements for the wedding have not been completed. Croker told city clerk P. O. Schully, who made out the license. Rumor has it that the ceremony will be performed tomorrow. At least that is the time originally set for it but no one other than a few friends of the prospective bride and groom know positively what the arrangements are.

READY FOR SYRACUSE.

Syracuse, N. Y., Nov. 25.—The Notre Dame football squad arrived here this afternoon ready for the game with the Syracuse University eleven tomorrow afternoon. Coach Harper announced that his team is in excellent condition and is confident of a victory. The Syracuse team, which has been shifted about since Saturday was also in good trim today, according to the statement of the coach. Notre Dame rules a slight favorite tonight.

SECY. GARRISON PAYS TRIBUTE TO MAJ. GEN. FUNSTON'S ABILITY

Expresses His Admiration of General's Handling of the Situation at Vera Cruz.

Washington, Nov. 25.—Secretary Garrison today wrote a letter to Major Gen. Funston expressing his admiration and appreciation of the general's handling of the situation at Vera Cruz during the American occupation. Mr. Garrison's letter will be delivered to General Funston when he arrives with his troops at Galveston tomorrow and is as follows:
"My dear general:
"Now that you and your command have returned safely to this country, I desire to express to you the great appreciation that I have of the excellent service rendered by you and the men under you while at Vera Cruz.
"In many ways the situation there was as difficult, if not more so as actual warfare. The proper performance of the duty called for self-restraint, judgment, coolness and discipline in the very highest degree. The fact that during all the months that you occupied Vera Cruz there was not one untoward incident of great significance. Any laxness of discipline or careless handling of the situation might have precipitated consequences of a most disastrous character. The skill and ability of the officers and the discipline and exemplary conduct of the troops, not only prevented any untoward incident but reflected the greatest credit upon themselves and the country which they represented.
"I desire to convey to you and the officers and men of your command my warmest thanks and sincerest appreciation.
"Sincerely yours,
"Lindley M. Garrison,
"Secretary of War."

RESOLUTIONS CONDEMN TREASON IN LABOR RANKS

Building Trades Department Adopts Resolution at Closing Session.

Philadelphia, Nov. 25.—Resolutions condemning what was characterized as treason in the ranks of organized labor were adopted at the closing session of the annual convention of the Building Trades department of the American Federation of Labor here today. Charges were made that organizations of plasterers, stonecutters, steam engineers, hodcarriers and common laborers had worked with the International Union of Bricklayers and Masons, which is not affiliated with the American Federation of Labor and the Brotherhood of Carpenters, which while affiliated with the federation is no longer a member of the department to do work which the department had ruled belonged to the Marble Workers Union, an affiliated body.

These resolutions were adopted in spite of an adverse report of the committee to which they had been referred. The convention also voted that the charters of local and state councils that fail to expel local unions of unaffiliated bricklayers and masons be withdrawn. Prior to the adoption of the resolutions Samuel Gompers, the veteran president of the federation, had addressed the convention and pleaded for a cessation of internal disturbances which he stated "have recently threatened to disrupt and destroy the national organization."

Thomas J. Williams was re-elected president of the department and William J. Spencer, secretary-treasurer.

QUARANTINE LIFTED ON MANY SOUTHERN COUNTIES

Governor Dunne Releases Thirty-Seven Counties from Quarantine for Foot and Mouth Disease.

Springfield, Ill., Nov. 25.—Governor Dunne today released from the state quarantine for foot and mouth disease the counties south of the northern boundary lines of Crawford, Jasper, Effingham, Fayette, Montgomery and Macoupin counties, excepting Jersey county.

Quarantine is Lifted.
East St. Louis, Ill., Nov. 25.—The quarantine on thirty seven counties in southern Illinois, including this county is lifted, according to the terms of a proclamation by Governor Dunne, a copy of which was received here today and the proclamation will become effective as soon as it is approved by the federal quarantine officers.

If this approval is given, the national stock yards here will be able to ship livestock to any city not quarantined against southern Illinois.

WEATHER INDICATIONS AND TEMPERATURES.

WASHINGTON, Nov. 25.—Forecast—Illinois: Fair Thursday and Friday.

Temperatures.
The current, maximum and minimum temperatures recorded Wednesday were as follows:

| | | | |
|---------------|----|----|----|
| Jacksonville | 55 | 64 | 31 |
| Boston | 46 | 52 | 38 |
| Buffalo | 46 | 46 | 40 |

| Winnipeg | 40 | 44 | 28 |

GERMANS CHECK RUSSIAN ADVANCE

RUSSIAN ARMY HEADQUARTERS RE- MAIN SILENT

Germans Claim to Have Checked Attempts on Part of the Russians to Take Offensive—Russians Claim and Celebrate Victory in Northern Poland.

London, Nov. 25.—While the Russian army headquarters remain silent and the Germans claim to have checked attempts on the part of the Russians to take the offensive the military party in Petrograd has shown its full confidence in the unofficial reports of a Russian victory in Northern Poland by celebrating the event. It is even said in the Russian capital that the victory was greater than had been reported previously and there is talk in Petrograd of an entire German army corps having been broken up. Reports received there say that trains have been ordered which will accommodate 50,000 wounded and prisoners. Heretofore grand Duke Nicholas, commander-in-chief of the Russian forces, has withheld his reports until the work he set about to do had been completed so that the world may have to wait for some days for his official statement.

In East Prussia and before Cracow, Galicia the Germans also claim to have brought the Russian advance to a stop. The other side is to be heard from in regard to this statement.

Russians Invade Hungary.
Probably the most significant piece of news regarding the Russian operations comes from Budapest where it is admitted that the Russian troops again have invaded Hungary and have reached the county of Ung, which is about thirty-five miles south of the Carpathians and the county of Zemplin, fifty miles to the south of those mountains. The troops which invaded Ung, according to this report, have been driven back to the frontier while action is being taken against those in Zemplin. Except to the northwest of Verden, where the Germans made an attack, were repulsed was refused, the fighting in the western theatre still consists to a large extent of artillery duels. There is evidence however, that the Germans contemplate another desperate effort to get through to the French coast ports.

Bringing Up Reinforcements.
Every report from Belgium by way of bringing up reinforcements and guns, but so closely is the secret guarded that there is no indication as to where the blow is to be delivered. It will doubtless be a heavy one backed by all the men, guns and other machinery of war of which the Germans seem to have such unlimited supplies.

The allies have made every preparation to meet this assault. At the same time, preparations have been completed for the defense of the east coast of England, for the opinion still holds here that if the Germans fail in their latest plans they will attempt to raid England with the warships and transports for which German submarines are trying to prepare the way.

There is considerable diplomatic activity in the Balkans and important developments are expected soon. It is considered in official circles here that with the Austrian army on her soil, Serbia will be more likely to listen to the demand of Bulgaria for a slice of Macedonia as the price of her support. There also is talk of an arrangement between Roumania and Bulgaria, in fact, of a re-organization of the Balkan league which would bring all the Balkan states over to the side of the allies.

OLDEST PRISONER AT CHESTER GOES FREE

Will Be First Thanksgiving in 27 Years That Fred Douglas Has Spent Outside Prison.

Springfield, Ill., Nov. 25.—Fred Douglas, the oldest prisoner in the Southern Illinois penitentiary at Chester, goes free tomorrow. It will be the first Thanksgiving he has spent outside the gray walls of Chester in twenty-seven years. His sentence of life imprisonment for murder committed at Cairo in 1887 was commuted today by Gov. Dunne, acting upon the recommendation of the state board of pardons. Douglas, who is a colored man, is nearly eighty years old and for years has been a familiar figure at the southern penitentiary.

STEAM FITTER IDENTIFIED WRENCH USED BY SLAYER

Aurora, Ill., Nov. 25.—The pipe wrench with which Miss Jennie Miller was killed last Wednesday night was identified today by George Doubleday, a steam fitter, as one he saw at a new hospital building four blocks from the Free Methodist church near which Miss Miller was struck down. Doubleday said he saw the wrench while at the hospital looking for work and took especial notice of it because it was an antiquated model.

The police said that several men employed at the new building were strangers in the city, having come from Chicago. An effort will be made to ascertain whether any of these men left the work last Wednesday.

The Sure Way to Be Thankful.

Certainly every man and woman in Jacksonville and Morgan county has some reason for thankfulness today, if it be for nothing else than "life, liberty and the pursuit of happiness". After all, this thing of thankfulness is not only a matter of habit but also a matter of comparison. Most any man can sit down this morning and think of someone else whose lot in life seems cast in pleasanter places and who shows signs of greater prosperity and of generally happier conditions and surroundings. Continuing this train of thought, he can get into a thorough state of discontent and of dissatisfaction with the world in general.

Yet any of us can with equal success take the other route and by comparing our lot with that of someone less fortunate financially, someone weaker physically, someone who has met a special sorrow or has some special cause for anxiety, and thus get into that state of mind when all the world takes on a rosy hue.

In this city and county, where there are no people who are very, very rich, and not a great number who are very, very poor, and the largest number of all surrounded with the generous comforts of life; here, indeed, if anywhere, a spirit of thankfulness should prevail.

If today you cannot compare your lot with that of someone else here at home and thus find happiness and contentment, then as the last resort give thanks today that you are living here in America rather than in some country of war-clouded Europe, in a land of widowed wives, of childless mothers, and of fatherless children. Be glad that you are not living today in a country where want and devastation, and hunger and sorrow all go hand in hand across the war-swept fields.

Strong Arrangement of War.

One of the strongest anti-war statements made in America since the outbreak of the European war was that of Dr. David Starr Jordan, who resigned as president of Stanford University two years ago to tour the world on what he called "a university extension course in the interests of peace."

In his recent speech before the New York Peace society he said: "The old saying the best way to preserve peace is to prepare for war" was forged in hell. A German friend of mine once proposed that a man who was his enemy be placed in a calendar and a day be set aside for him, so that all the people on that day could curse him. I would like to see such a day in the calendar for the Krupp, the Schindlers, the Armstrongs, and all the small and large fry parasites following in their trail. Get them all on the calendar, and on that day let the people curse them throughout the world.

"For a mightier force than nations these days is the force of public opinion. They have been laughing at the peace makers of late. They have said that we failed. Well, Norman Angell said to me while they were mobilizing troops all around us in Europe, 'We were not successful, were we not?'"

"I would have our own land take out insurance against war by taking out of the hands of those who make money from arms the business of making arms. If we must go ahead fighting and making tools to fight, then let the government make the tools, so that the private manufacturers won't need to employ diplomatic agents, lobbyists, bribees, to make war sentiment is

sell their goods. And this applies to every nation—Germany, France, England and Russia. Their arm-makers are the financial backers of the war party in each nation, and their arm-makers have no national patriotism."

MISS EDNA LOUISE REID
WEDS MR. LLOYD MOSS

Ceremony Took Place Wednesday Evening at Home of Bride's Parents North of the City—Will Reside on Farm.

A very pretty home wedding was solemnized Wednesday evening at the residence of Mr. and Mrs. C. L. Reid, north of the city, when their daughter Edna Louise became the bride of Mr. Lloyd Moss. The ceremony was witnessed by only immediate relatives and friends of the young people and was said by Rev. W. A. Boyd of this city.

The house was appropriately decorated for the occasion. In the parlor were ferns and chrysanthemums, in the living room, white carnations and ferns and in the dining room pink roses and ferns. The hall was made attractive by red roses.

The marriage took place in the front parlor and the young people were unaccompanied. Mrs. Fletcher Blackburn played the Venetian love song, Good Night, and the wedding march from Lohengrin and after the marriage she played Mendelssohn's wedding march. The bride wore a gown of white satin made with surplice waist trimmed with beaded lace and wore a veil caught up by swansons. She also wore a diamond necklace, a gift of the groom. Her going away gown was navy blue with hat to match. She is the daughter of Mr. and Mrs. C. L. Reid and received her education in the Jacksonville high school. She is an accomplished musician and a member of the Ebenezer church. Her affable manner and accomplishments have made her many close friends.

The groom is the son of Mr. and Mrs. J. A. Moss, who resides in the same community and is a young man of sterling worth and integrity. He received his education in the rural schools and also attended Brown's business college. He is a farmer by occupation in which he has been successful.

Following the marriage a three course luncheon was served. In cutting the wedding cake the following received the articles: Dime, Della Berryman; ring, Muriel Stanley; key, J. A. Dodds; darning needle, Ella Blackburn; thimble, James Martin. The young people received many beautiful wedding presents.

They came to Jacksonville last night and this morning will leave for Kansas City and will also visit in Emporia, Kansas, and in Colorado Springs, Colo. They will be gone two weeks and upon their return will reside on a farm north of the city, in a new residence recently erected by the groom.

Oyster supper by Ebenezer league at church Friday night.

MATRIMONIAL

Lewis-Daniel.

Oliver T. Lewis of New Berlin and Miss Hattie Izora Daniel of Litterberry were married Wednesday noon by Rev. G. W. Flagg, pastor of Centenary M. E. church at his residence on East State street. They were attended by James Daniel, a brother of the bride and Miss Bertha Young of Alexander.

The bride is a daughter of E. A. Daniel of the Grace Chapel neighborhood, and the groom is a son of W. H. Lewis of New Berlin. Mr. and Mrs. Lewis went to the residence of his father to spend Thanksgiving and will later go to housekeeping on a farm near New Berlin, where they will take the best wishes of a wide circle of friends.

Will it be a manual piano or a player piano? J. Bart Johnson.

OPEN TILL NOON.

and we will also deliver until that time. Send in your order early for turkeys, ducks, chickens, oysters and celery.

Zell's Grocery.

THANKSGIVING SERVICES AT WESTMINSTER TODAY.

Protestant Churches Will Unite in Services There—Rev. W. L. Pontius Will Preach.

As previously announced a Union service in which all Protestant churches will take part will take place at 10:30 o'clock this morning at Westminster church. Rev. W. L. Pontius pastor of Central Christian church will preach the sermon and other ministers will also take part. An offering will be taken for the Associated Charities.

VISIT IN PEORIA.

Mr. and Mrs. Enslay Moore went to Peoria Tuesday morning to attend the funeral of Matthias Hoffman of that city.

Mr. Hoffman married a daughter of the late Charles P. King of Peoria and she is a cousin of Mrs. Moore. For many years Mr. Hoffman was a leading jeweler of Quincy, but the last years of his life were spent in Peoria, the former home of his wife. He was about 75 years of age.

During their visit in Peoria Mr. and Mrs. Moore called at Mr. C. King's, whose wife was Miss Mary Moir, and met her sister, Miss Martha Moir. They also met Mrs. May King Benton and Mrs. Jesse Graham Moir of Peoria. These four ladies attended the Young Ladies' Athenaeum in their younger days, and had many friends here who will be glad to know of their good health and happiness.

Read the Journal; 10c a week.

CHRISTMAS FUND GROWING

The Ladies' Aid Society of Centenary church Wednesday sent in a check for \$10 to add to the United Christmas fund. This generous contribution, with \$85 previously contributed and 10 per cent added, makes the total to date \$104.50.

A portion of the Centenary ladies' money was designated for the Municipal Christmas tree fund and a portion for the City Hall Relief fund. Other organizations are planning to give in this same way and will take advantage of the proposition made by the Journal to increase their gifts by ten per cent. The time between Thanksgiving and the Christmas season is comparatively brief and within a few days the active preparations for the Christmas giving will be well under way.

The Associated Charities, the Salvation Army, the City Hall Christmas fund, the Free Kindergarten, the Municipal Christmas tree are all worthy of support and a contribution to any one of them will help in a work which will bring aid and comfort to those who need these things. Send your contribution for these funds to the Journal. We will add ten per cent to all you give and pass the total sum on to the proper authorities.

Real grand opera in your own home with a victrola. J. Bart Johnson.

WILL HOLD PUBLIC SALE. M. M. MacComb will hold a public sale Tuesday, December 1st, beginning at 10 a. m., at his farm four miles southwest of Jacksonville. Seven horses and colts, 12 head cattle, four brood sows, 25 fall pigs, 16 head sheep, numerous implements, some household goods, 500 fence posts and other articles will be sold. The farm is on the road which runs south past Diamond Grove cemetery.

Hear Thomas A. Edison's latest achievement—The Edison Diamond disc—in rental. J. Bart Johnson.

NOTICE.

Sealed proposals will be received by the Commissioners of Road district No. 6, Morgan county, Illinois, at the office of the County Superintendent of Highways until two p. m. November 27th, A. D. 1914, for the construction of one 60 span steel bridge. Plans and specifications may be seen at the office of the County Superintendent of Highways Jacksonville, Illinois. Proposals must be accompanied by a certified check for 10 per cent of the amount of the bid. The Commissioners reserve the right to reject any or all bids.

Enjoy the long winter evenings at home with an Edison Diamond disc. J. Bart Johnson.

CHRISTIAN SCIENCE CHURCH. Thanksgiving services will be held in the Christian Science church, 232 West State street Thursday morning at eleven o'clock. A cordial invitation is extended to all to attend the services.

Every member of the family will enjoy the Victrola. J. Bart Johnson.

For Thanksgiving Day

CRUCIAL GAME OF SEASON TODAY

ILLINOIS PLAYS WILLIAM AND VASHTI COLLEGE.

Gridiron Struggle Promises to Be Greatest in Minor College Conference This Year.—Aledo Team to Be Accompanied by Large Crowd of Rooters—Season Tickets Honored This Afternoon.

What promises to be the hardest fought gridiron battle of the minor college conference will be staged on Illinois field this afternoon at 2:30 when the fast William and Vashti eleven line-up against Illinois college. It is a crucial game for both institutions. If Illinois wins it means that she has as good a right to the championship honors as any college in the circuit. If William and Vashti wins, according to their figuring it means that they are champions of the conference. W. and V. have been taking no chances on winning the game and Coach Kinney has been putting his men through the hardest drill of their lives and are coming here with the strongest line-up they have had this season.

Fast Men of Visitors.

W. and V. have a tower of strength in Westfall, full back; Forner, left half back; Braught, end and Capt. Morrison, quarter back. Forner is some sprinter and it will be remembered that he ran second in the dashes to Tennyson in the last conference track meet at Peoria. The visitors have a strong line. Their schedule shows that they have played their strongest teams on their own home grounds, such as Lombard, Wesleyan, Bradley, while they have gone to Eureka, Carthage and to Millikin to play. The game with Lombard, when W. and V. cleaned up by a score of 21 to 7 was played in a sea of mud and Lombard had little opportunity to show their real strength. In the game played at Millikin, the Decatur school won by a score of 8 to 0. W. and V. claim that Millikin in this game played Chynoweth, who was unreligible. Some of the dopists have it that Illinois was also protesting their game for the same reason, but this is untrue since Chynoweth did not play against Illinois.

Expect Hard Game.

Illinois players realize that the game this afternoon will be the hardest proposition of the year. Coach Harmon sends his men into the contest after having them away for four straight games and that against the strongest teams in the conference, viz.: Wesleyan, Lombard, Millikin and Bradley. All these teams were played with a close score. W. and V. defeated Bradley by a score of 34 to 7, while Bradley defeated Illinois 25 to 12, which gives the visitors a good hope that the chances of winning the contest are bright.

Coming in Special Train.

According to information received William and Vashti are coming in a special train of six coaches over the Burlington and are due to arrive here at 11:30. This will mean over 200 rooters. They will be accompanied by the Aledo band and the crowd will be given a section of the grand stand. It is probable that the visitors will march from the train to the ball field headed by the Illinois college students who will meet them at the train.

Enthusiasm High.

Enthusiasm has been running high on college hill in anticipation of the game. A rousing "thuse" meeting was held at the chapel hour yesterday morning with Clifford Dixon in charge. Speeches were heard from Capt. Alford, Stewart, Frisbie, Miss Velma Dugger, Wayne Wright, J. Durrell Hatfield, 14, Ralph Dunlap, '03, Viggo Jensen and Arthur Kingsley. The meeting was augmented by the presence of the college band and the high school band, under the direction of Fred Goodrick. This band will furnish music this afternoon.

At the time the varsity squad was practicing yesterday a crowd of students assembled at the Jones building and marched in a body to the athletic field and cheered the team in their practice. At Academy hall Tuesday night Miss Velma Dugger was the leader of a mass meeting to boost for the game and as a result all of the girls will remain over for the game except six.

To Have Curtain Raiser.

The management has been providing extra seats and it is expected to have one of the largest crowds present that ever witnessed a local football game. The grounds are in excellent condition and it is expected to start the game promptly at 2:30. As a curtain raiser an alumni team of the high school will play the eleven from the State school for the deaf at 1:30.

The Officials.

Bridge (Knox) will act as referee and Perry Graves, of the U. of I., as referee and Brown (Millikin) as head linesman. Graves, who will umpire is right end of the University of Illinois team, which by their defeat of Wisconsin last week clinched the championship of the western colleges.

To Honor Season Tickets.

Arrangements have been made by the management to honor the season tickets at the game this afternoon. It will be remembered that one game scheduled, that of Normal, was not played here on account of rain.

The Line-up:

GREAT PICTURES AT THE GRAND TODAY

"The Wishing Ring," a Shubert Feature Photo Play in 5 Acts, Comes to the Grand Today—Matinee and Night.

The story which the reels tell is one of very special beauty.

Synopsis.

Sally's father was the parson of a poor church. Sally, though in rags, had artistic instincts, and in order to get flowers for the church vases she invaded the garden of old Annesley and gathered them without the formality of asking for permission. Annesley was annoyed at the

mysterious disappearance of his pet flowers, and in a quarrel with his gardener received the old servant's apron in his face.

Giles, son of the gouty, testy Earl of Bateson, is expelled from his college because of his boyish instincts of mischief. His father places him in the hands of a private tutor from whom he escapes. Annesley gives him the gardener's apron and puts him in charge of his roses. Sally makes another raid, is caught by Giles, but Giles takes pity on her and her poor little roses, and their acquaintance ripens into friendship. During one of their walks together they happen on a gypsy camp. One of the gypsies tells Sally that she will marry a nobleman's son and presents her with a wishing ring. Naturally superstitious, Sally construes coincidences as replies to her wishes.

Her attempts to bring father and son together when she finds who Giles is, and her many curious adventures form a beautiful and touching story, a real "Peg o' My Heart" of the films. The ending is the happy marriage of the young lovers, and in acting and story the picture will please and move you.

MISS ABBIE K. PIERSON DIES AT PASSAVANT HOSPITAL WEDNESDAY

Well Known Resident Expires After Illness of a Month—Funeral to Be Held Friday.

Miss Abbie K. Pierson passed away at Passavant hospital Wednesday night at 8 o'clock. Miss Pierson had been a patient at the hospital for a month and was a sufferer from a severe heart affection.

The deceased was born in August, 1841, and was a daughter of Dr. Daniel Pierson. She came to Jacksonville in 1878, soon after the death of her father and has since made this city her home, and for some time had resided at Mrs. L. A. Frost's on West State street. Miss Pierson was a member of the Congregational church and took an active interest in the work of the Associated Charities and of Passavant hospital. She is survived by one brother, Clark M. Pierson of Portland, Ore., and was a cousin of J. K. C. Pierson of this city.

The remains were taken to the residence of Mrs. Frost, 724 West State street, where funeral services will be held Friday afternoon at 2 o'clock. The remains will be taken to Augusta Saturday morning for interment.

FOR SALE—Two passengers' Buick car. Address "Roadster," Courier Journal. 11-24-61

KNIGHTS OF COLUMBUS DANCE

The Knights of Columbus held a dance at their hall on East State street, Wednesday evening, which was well attended, with a number present from out of the city. Frank Flynn, Jack Fogarty, Edward Cox, Leo Selby and Charles Gruber composed the committee. Among those from away were Albert and Nellie Ring, Miss Lillie and Mayme Collins and Lillian Lashmet from Winchester, S. J. Boylan from New Orleans, La., Charles Flanagan of Waverly and Charles Ryan of Franklin.

ATTEND DANCE AT ASHLAND.

Misses Helen Robinson and Lillian Cleary and Crum Cleary attended a Thanksgiving dance given at the Lyric Theatre at Ashland Wednesday night. The committee in charge of the affair was composed of Dave Hexter, Raymond Mau, Fred Hexter, Frank McCraugh, Walter Dyer and D. L. Clarke.

Misses Maude Carsell and Eva Chapman of Decatur are spending Thanksgiving with Miss Carsell's sister at the Woman's college. They expect to visit relatives in Petersburg before returning.

SOCIAL EVENTS.

A Thanksgiving dinner and family reunion will take place today at the home of Mr. and Mrs. Patrick Shanahan, 520 West College street.ellow and white chrysanthemums will be used in the decorations. The following will be present: Mr. and Mrs. P. J. Shanahan, Mr. and Mrs. Fred Kumble, Mrs. Charles Degen, Mrs. Minnie Birkenhead and the following from Springfield, Mr. and Mrs. Herman Hofferkamp, Mr. and Mrs. Ed. Hofferkamp and son, Herman Edward, Jr., Mr. and Mrs. Harry Hofferkamp, William and Theresa Hofferkamp, Mrs. Barbara Ihlenfeldt and George Hofferkamp.

Mr. and Mrs. George Murphy celebrated the tenth anniversary of their wedding last night at their home on Goltra avenue entertaining about thirty of their friends, Mrs. Louis Steer and Mrs. Francis Walton assisted Mrs. Murphy in entertaining and the event was one of very great pleasure for all present. The evening was spent with music and games and the refreshments served were of a generous kind. Mr. and Mrs. Murphy received numerous gifts as tokens of the good wishes of their friends.

Biggest football game of the season—Illinois vs. William and Vashti, 2:30 p. m. today.

CECILIAN MAIDS PROVE DRAWING CARD.

The concert program given by the "Cecilian Maids" at the Grand proved a great drawing card again yesterday afternoon and night. Today for matinee and night performances these young ladies will present an entirely new bill, if possible, of greater excellence than before. Miss Evelyn Dare, the vocal soloist will sing among other favorite selections "Good-bye," Miss Everman, harpist, will play a Mazurka by Hasselman and the whole program will be one of great artistic excellence. The matinee will begin promptly at 2 o'clock.

Michigan apples, Northern spy, and Baldwin's, Cole Bldg, opposite Courier. C. S. Split.

MRS. DOYING AT HOME. Mrs. Hattie Doying is again at her home on Grove street after five weeks' stay at Passavant hospital. Mrs. Doying is greatly improved but is yet unable to walk. She is however gaining steadily and will be glad to see her friends.

Biggest football game of the season—Illinois vs. William and Vashti, 2:30 p. m. today.

MOTHER TELLS HOW VINOL

Made Her Delicate Boy Strong. New City.—My little boy was in a very weak, delicate condition as a result of gastritis and the measles and there seemed no hope of saving his life. The doctor prescribed cod liver oil but he could not take it. I decided to try Vinol—and with splendid results. It seemed to agree with him so that now he is a strong healthy boy. Mrs. Thomas Fitzgerald, 1939 Park Ave., N. Y. City.

We guarantee Vinol, our delicious cod liver and iron tonic, for run-down conditions, chronic coughs, colds and bronchitis. Lee P. Allcott, Druggist, Jacksonville, Ill.

MEMORIAL SERVICES OF ELKS IS ANNOUNCED

Spigot, family butler—Harold Gillham. Hopkins, a footman—Frank Vanaler.

Robert, a page—Roy Bench. Sybil Amberley, daughter of Sir George Amberley—Irene McCullough.

Laura, her friend—Mary Young. Rose, her friend—Ethel Rutherford.

Enthusiasm has been running high on college hill in anticipation of the game. A rousing "thuse" meeting was held at the chapel hour yesterday morning with Clifford Dixon in charge. Speeches were heard from Capt. Alford, Stewart, Frisbie, Miss Velma Dugger, Wayne Wright, J. Durrell Hatfield, 14, Ralph Dunlap, '03, Viggo Jensen and Arthur Kingsley. The meeting was augmented by the presence of the college band and the high school band, under the direction of Fred Goodrick. This band will furnish music this afternoon.

At the time the varsity squad was practicing yesterday a crowd of students assembled at the Jones building and marched in a body to the athletic field and cheered the team in their practice. At Academy hall Tuesday night Miss Velma Dugger was the leader of a mass meeting to boost for the game and as a result all of the girls will remain over for the game except six.

TWO MEN BREAK UP BOX SUPPER IN THE ARCADIA NEIGHBORHOOD

Allen Guthrie and John Scott are Arrested and Fined \$25 and Costs in Squire Dyer's Court Wednesday.

Allen Guthrie and John Scott were fined \$25 and costs in Squire W. T. Dyer's court Wednesday. They were arrested on warrants sworn out by J. C. Becker of Litterberry.

It is charged that the two men went to a box supper at the Bruch College school house Tuesday night and began a disturbance shortly after their arrival. It is said that during a voting contest Scott caused such confusion that the contest had to be abandoned and that he dropped a revolver out of his pocket, which caused no little anxiety. It is also charged that Guthrie was carrying a revolver. The climax is said to have been reached when one of the men purchased a box and the young lady who owned it refused to eat supper with the man and he threw the box on the floor, jumped on it and caused a general disturbance.

A large number of the people left the building soon after the disturbance started and a horse owned by Finis Gilpin was frightened by the noise. The animal broke loose, and ran home, the buggy being badly damaged.

Give Your Blood The Vital Spark

Drive Out Impurities and
Make the Skin Smooth
and Clear.

Poisons in the blood, so undermine the health as to leave the system in a low state of resistance. But use S. S. S. for a brief time and you flare up the vital spark of blood vigor. It sweeps its way all through the body, dissolves rheumatism, relieves catarrhal congestion, clears the throat and bronchial tubes, dries up all skin eruptions, enables the kidneys, liver, bladder and lungs to work promptly and effectively in carrying impurities out of the circulation. S. S. S. is the best known medicine for the blood and has the confidence of a host of people. They know it is harmless to the stomach and experience has shown that it accomplishes all that was ever expected of mercury, iodine of potassium, arsenic and other destructive minerals.

Get a bottle of S. S. S. today at any drugstore. Read the important folder wrapped around the bottle. It tells of the work being done by a famous medical department, with tests that have proven of wonderful value to those suffering with blood diseases. For a special book on the subject written by an expert, address The Swift Specific Co., 57 Swift Bldg., Atlanta, Ga. For nearly half a century S. S. S. has been the safeguard of a myriad of people who are living examples of what wonders can be accomplished by this famous blood purifier. Get a bottle today but refuse all substitutes.

BAD BREATH

Dr. Edwards' Olive Tablets Get
at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. P. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil. You will know them by their olive color.

Take one or two every night for a week and note the effect. Use and see per box. All druggists.

The Olive Tablet Company, Columbus, O.

"John Bunny" himself, the
man with a million friends,

ACCORDING TO DESPATCH FROM
COPENHAGEN.

London Evening News Receives
Word That the Germans are
Strengthening Old Fortresses, as
a Line of Entrenchments—Other
News from the Front.

London, Nov. 25.—An invasion by the allies is feared by Germany, according to a despatch to the Evening News from Copenhagen which reports that extensive preparations are being made to guard against such an eventuality.

The News says it has learned from eye witnesses that the Germans are strengthening old fortresses in the former Danish territory of Schleswig-Holstein, as well as a line of entrenchments called the Dannewerk along the northern side of the Kiel canal. It is thus hoped to protect the canal against attacks from the north for it is on the shores of Schleswig, according to these reports that an invasion is feared.

Are the German islands in the North Sea it is said, are now closely guarded and strongly fortified positions are being erected on the shores of Holstein and along the western side of the river Elbe.

Archduke Get Iron Crosses.
Berlin, via the Hague to London, Nov. 25.—Emperor William has conferred the Iron Cross of the first and second class on Archduke Charles Francis of Austria, commander-in-chief of the Austrian army and heir-apparent to the Austro-Hungarian throne for the part he has taken in the military operations.

Russian Troops Driven Back.
Amsterdam, Holland, Nov. 25.—Via London—Russian troops which entered the county of Ung in Hungary, have been driven back, according to a telegram received here from Budapest and are now retreating to the frontier after suffering heavy losses.

Energetic action is being taken, the message adds, against the smaller Russian forces at present in the Hungarian county of Zemplin.

Sail Under Sealed Orders.
Sailor, Chile, Nov. 25.—In pursuance of its announced intention of enforcing strict neutrality, the Chilean government today despatched the destroyers Capitán, Merino, Tarpa and Capitano to the Juan Fernandez Islands, Chilean possessions, 400 miles off the coast. The warships sailed under sealed orders.

The authorities at the Port of Antofagasta removed vital parts of the engine of the German steamer Karnak, notwithstanding the promise of the German minister that German steamers would not leave Chilean ports.

An official statement of the Chilean maritime authorities yesterday said that it had been proved that German warships had violated the neutrality of Chile by staying for several days in the Juan Fernandez Islands.

Cholera Reported in Antwerp.
London, Nov. 25.—Cholera is reported to have broken out in Antwerp according to a despatch from Rotterdam to the Evening Star. Only a few cases so far have been reported and the most energetic measures are being taken by the sanitary authorities.

Another Quiet Day.
Paris, Nov. 25.—The following official communication was issued to-night: "This was a quiet day. There was no alteration of any part of the entire front."

Anxious About Chancellor's Health.
London, Nov. 25.—Friends of David Lloyd George, British chancellor of the Exchequer are anxious about his health, says the British weekly, as he has been severely overworked. In addition to his heavy labors in matters of finance, he is on the armament and pension committees.

Mr. Lloyd George is working from early morning until late at night and it is imperative that he be relieved of some of his responsibilities. His friends declare, if his health and strength are to be preserved.

German Losses Heavy.
Petrograd (via London), Nov. 25.—Reports reaching here concerning the magnitude of the defeat of the Germans to the west of Lodz, Russian Poland, which in some instances place the German losses as high as an entire army corps, appear in a measure to be confirmed by telegraphic despatches from Warsaw. Forty-eight trains have been despatched from Warsaw to bring in the prisoners and wounded. This number of trains, made up of the maximum number of cars of the Russian wide gauge, would carry between 45,000 and 50,000 men, it is estimated here.

Military men here express the opinion that the reported defeat was partially due to the failure of the column of Germans from Wielun to defeat the Russians sent against it. Bad roads delayed this German column, it is reported, enabling the Russians to concentrate a sufficient force to repulse it and turn the flank of the main German column.

There is great jubilation in army circles here, officers expressing the conviction that the enemy has received a crushing blow which is likely to prove decisive in the campaign in Poland.

English Navy Loses 4,327.
London, Nov. 25.—Thus far during the war the royal navy has lost 4,327 officers and men killed and 473 wounded, while 968 men are

missing and 1,575 are captives or have been interned.

These figures are contained in a statement issued tonight by the admiralty and include, in addition to naval men, the marines of the royal naval division. The casualties and the number of men captured or interned are given as follows:

Officers—Killed, 220; wounded, 37; prisoners, 5; interned, 46. Men—Killed, 4,107; wounded, 430; missing, 968; interned, 1,524.

A great majority of those reported killed were drowned, 1,718 losing their lives in this manner when the Cruisers Pathfinder and Hogue were sent to the bottom by German submarines, while the foundering of the Monmouth and Good Hope, after the action with the German squadron off the coast of Chile was responsible for the loss of 1,654 officers and men beneath the waves.

The operations of the Royal Naval Division at Antwerp are accountable for nearly all those reported interned or missing. Most of the missing are said by the admiralty to be prisoners of war in Germany.

Russian Official Statement.
Petrograd, Nov. 25.—The following official communication from the Russian general staff was given out here tonight:

"The fighting near Lodz continues. The large German forces which on November 20th broke into the region of Strykow, Brzeziny, Koluszki, Rzgów and Tuszyn (all these places are in the vicinity of Lodz), are pressed on every side by our troops and are now attempting by a supreme effort to cut through toward the north."

COUNTY OFFICERS ANNOUNCE NAMES OF DEPUTIES

W. H. Self Will Have Post in Office
of Assessor W. A. Masters—Supt.
of Schools Vasconcellos Selects
W. B. Lowery as Assistant.

William A. Masters, county assessor and treasurer-elect, Wednesday set at rest the rumors as to the possible appointments as chief deputy in his office by announcing that he had decided upon W. H. Self for that position. Mr. Self has been for a number of years employed at the store of S. S. Knoles and prior to that time was associated in business with his father, J. F. Self. He is a Morgan county product, has a popular and well esteemed record and has always been aligned with the Democratic party, as have the greater number of the members of his family. His business education and his familiarity with property and property values in both Jacksonville and Morgan county indicate that he is thoroughly qualified for the work he will undertake as Mr. Master's chief deputy.

H. H. Vasconcellos, county superintendent of schools, announced that he had appointed William B. Lowery as assistant in his office. Mr. Lowery, whose home is in Franklin precinct, has been for several years a teacher at the Ebenezer school and previous to that appointment had served other Morgan County schools. He is thoroughly experienced in county school work and a man of splendid character. Mr. Vasconcellos was desirous of appointing some man whom he thought would carry on the work of the office and of the schools in a way satisfactory and helpful to the schools and he believes that Mr. Lowery is abundantly able to meet these conditions. Mr. Lowery will enter upon his new duties at an early date.

ELEVENTH ANNIVERSARY.

Tuesday, Nov. 24th, was the 11th anniversary of Dorothy, the daughter of Mr. and Mrs. James J. Wells of West College street, and in honor of the event the young lady's mother gave her a party. The guests were the intimate friends of Miss Dorothy and they were as happy as a lot of birds playing games, telling stories and having a good time generally, such as young folks usually have when they get together. Miss Dorothy was the recipient of quite a number of beautiful and useful gifts from her relatives and friends. Nice refreshments were served and heartily enjoyed, after which the company dispersed to their various homes with the best of wishes for their hostess and her hospitality.

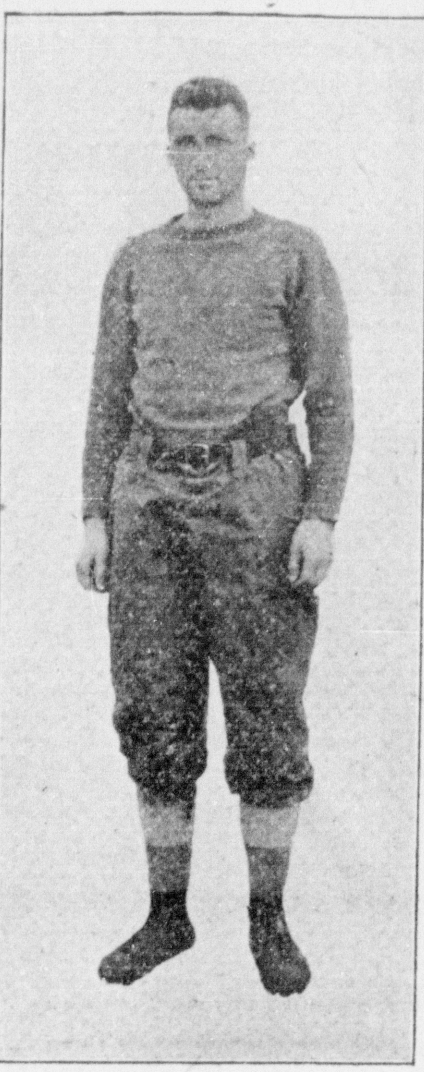

Those present were Misses Willma Williamson, Mary Floreth, Ruth Reynolds, Mary Strawn, Isabel Ames, Ella Eugenia Woodman, Mary Edith Baumgardner, Imelda Schmalz, Aloysia Webster, Augusta Webster, Frances Herne, Caroline Doane, Eunice Williamson, Mary Adkisson, Frances Brennan, Helen Brennan, Maurine Bradley, Ruth Bradley, Gladys Wintler, Louise Wintler, Grace Campbell, Louise Chipchase and Portia Brockman.

BOULEVARD LIGHTS FOR SCHOOL BUILDINGS

The board of education by arrangement with the city, will soon have ten boulevard lamps installed adjacent to the high school and the new eighth-grade building. Four of these lamps will be on State street, from Court street near the eighth-grade building, and two on Jordan street. The posts will be of concrete construction of an attractive design and city employees will do the wiring and other electrical work. It is presumed that the city will furnish the current at a nominal cost to the board.

ATTENDED DANCE.

Among those who attended the dance given by the K. of C. Tuesday night from Franklin were Catherine, Andrew and Evert Johnson, Sadie and Mary Murphy, Ray Ryan, John Ludwig, Clarence Kinney, William Kinney, Bryan Kinney, William Rose and Theresa Ludwig, Howard Rawlings, Michael Weigand,

ELMER LUKEMAN,
A substitute who will get a chance
today. Elmer is a Jacksonville boy.

A THANKSGIVING EXPERIENCE OF SEVEN YEARS AGO.

Thanksgiving day of 1867—just forty-seven years ago today—dawned bright and clear, with the roads in perfect condition, and after eating their dinner either at home or with friends, Dr. Charles Henry, who had been married a short time before and located in Jacksonville with his bride, R. D. Landers, James M. Dunlap, James Rearick, W. T. Long, James Gillespie, S. O. Barr, Robert Cassell Jr., and J. T. Osborne met down town and decided to attend a dance to the given that night in Rudis Arnold's new hall in Exeter, Scott county. The young men invited Kate R. Cassell, Mary Springer, Jennie Sutton, Gussie Hicks, Bonnie Engsminger and Dr. Henry and his wife to accompany them. They went to the lively barn conducted by Jesse Newman and F. M. Springer, secured rigs and started on the trip. It was one of the jolliest crowds that left the city and they did not dream of what was in store for them before they would return. When about three miles from their destination, to use the expression of a member of the party "it did not rain, but it poured down."

About 10 o'clock the mercury had dropped below the freezing point and at midnight it snowed "to beat the band." The members of the party were compelled to remain in Exeter until the next morning. They began arriving in Jacksonville at 10 o'clock and the last did not reach here until 3 o'clock that afternoon. An amusing incident of the trip, although rather trying to the two who experienced it, was the sight of James Dunlap and James Rearick driving back to Jacksonville with handkerchiefs tied around their heads, as their hats had been stolen the night before. The vault at Farrell's bank was not opened until 10-30 o'clock of the morning following Thanksgiving day, as Mr. Dunlap had hidden the key in the waste paper basket.

In after years the members of the party laughingly recalled their experience, although it is safe to say that laughter was scarce at the time of the occurrence.

WILL GIVE LECTURE AT ILLINOIS COLLEGE.

Mr. Frederick L. Fishback of Washington, D. C. will deliver an illustrated lecture on Washington and vicinity in the Chapel at Illinois College on Tuesday evening, December first at 7:30. Admission to the lecture will be free and the public is cordially invited.

Mr. Fishback is one of the most experienced private secretaries in Washington. He was born in our own city and went to Washington as a boy. He served as secretary

Thanksgiving

I'm living in plenty, and Heaven I think; I've eighteen, or twenty round plunks in the bank; I've coal in the cellar, and 'taters heaped there; my wife, Isabella, has plenty to wear. No mortgages hateful are bothering me, and so I am grateful as mortal can be. But every such blessing is common, though grand; it's little distressing we know in this land; the kind angels guard us and see we have food, and soothe and reward us with all that is good. With calmness stupendous and nerve quite a few, we take what they send us, as though it were due. Our roubles are clanking—we've lots of them ear; we'll all be thankful one day in the year. Of grub we've a grateful, stored safely away; we'll show we are grateful on Thanksgiving Day. Our meadow land raises a harvest sublime; we'll put up our praises some day when we've time. We folks who are living in fatness and ease should spend where war dogs are loose, while we are a-carving the turkey or goose. The paper—just skim it for news of the fray; if grateful, why limit our thanks to one day?

HOLIDAY CLOSING HOURS AGREED UPON.

Plan Worked Out by Retail Committee of the Chamber of Commerce Outlined.

It has been with no small degree of difficulty that the Retail Merchants Committee of the Chamber of Commerce has arranged after consultation the following schedule of closing on holidays. Some merchants might fail to observe the following schedule, however the majority in the different lines will close their stores as follows:

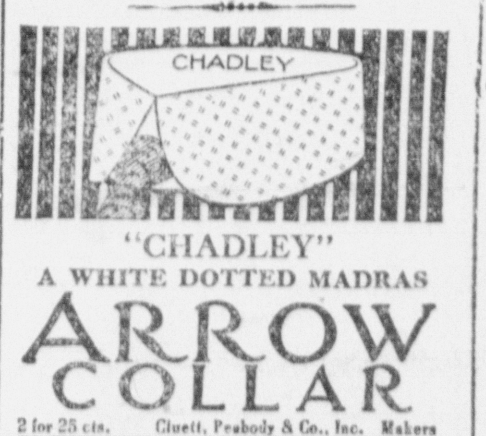

The Ten Cent Stores, Furniture, Dry Goods, Women's Ready to Wear, Millinery, and Shoe Merchants will close all day Thanksgiving, Christmas, New Years, and Fourth of July providing no celebration is held in the city and at noon on Labor Day and Decoration Day.

The Jewelry Stores will close all day Thanksgiving, New Year, Fourth of July, Labor Day, and at noon on Christmas and Decoration Day.

Clothing Merchants and Grocers will close at noon on Thanksgiving, Christmas, New Years, Labor Day, Decoration Day and Fourth of July. No working agreement has been arranged for the Drug Stores and others in miscellaneous lines.

There will be some variance in the adhering to the above schedule however, this is published for the benefit of customers who should keep these closing hours in mind. Merchants are requested to keep this memorandum for reference.

Secretary Jacksonville Chamber of Commerce.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little MUSTEROLE

And MUSTEROLE won't blister like the old-fashioned mustard-plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out all soreness and pain.

MUSTEROLE is a clean, white ointment made with oil of mustard. There's nothing like it for quick relief for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet, Chaps on the Chest (it often prevents "flea-bites"). Nothing like MUSTEROLE for croupy children.

At your druggist's, in 7¢ and 5¢ jars, and a special large jar for \$2.50.

Be sure you get the genuine MUSTEROLE. Beware of imitations—see what you ask for. The Musterole Company, Cleveland, Ohio.

Only Sure Corn Cure Ever Known

"Gets-It" the New Way, 3 Drops Do It

To endure the pains and tortures caused by a little thing like a corn is ridiculous, simply because it is unnecessary. The new-plan corn cure.

"GETS-IT" is the first one ever known to remove corns without pain, without pain and without trouble. This is why it is the biggest-selling corn cure in existence today. It is now used by millions, because it does away with sticky tape, with plaster and cotton rings that shift their position and press down into the corn, with salves that "draw up" the toes, with "burners" that cause pressure and pain, with knives, razors and files, clawing and pulling at a corn.

"GETS-IT" is applied in two seconds. Two drops applied with the glass rod do the work. Pain goes, the corn shrivels, vanishes. Accept no substitute. Try it on any corn, wart, callus or bunion tonight.

"GETS-IT" is sold by druggists everywhere, 25¢ a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in Jacksonville by Armstrong's Drug Co.—J. A. Obermeyer.

ACCIDENTS WILL HAPPEN

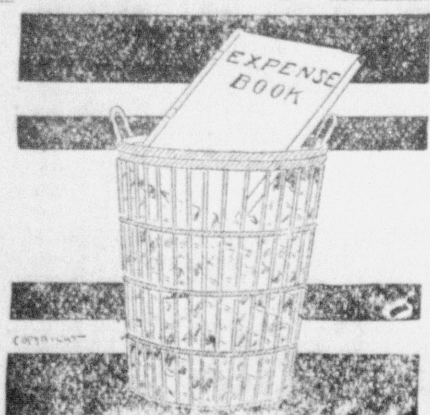

In spite of every precaution. Break-downs necessitate repairs. Avoid the mistakes of taking your work to the wrong shop. Only the best work is good enough. That's ours, and our charges are low. We make what we repair as good as new.

THE YELLOW PERIL

Japanese Warnings.

The Japanese early sought for the truth, and their earliest knowledge was the principle that their strength depended on a healthy stomach. They eat very little and practice "Jiu-Jitsu" — muscular exercise from youth up. The stomach is the center of the body from which radiates our vitality, strength, our fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the liver, bowels and kidneys.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache and constipation.

Get Dr. Pierce's Golden Medical Discovery today at any medicine dealer; it is a powerful blood purifier, so penetrating that it even gets at the impure deposits in the joints and carries them out of the system.

It is not a secret remedy for its ingredients are printed on wrapper. For free advice or free booklet on blood, write Dr. V. M. Pierce, Buffalo, N. Y.

Free—Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps to pay expense of wrapping and mailing only.—Advertisement.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Lustre With Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so even. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.—Advertisement.

APPRECIATE GIFTS SENT BY AMERICANS

AMERICAN FLAGS ARE FLOATED OVER PUBLIC BUILDINGS IN PLYMOUTH.

Dinner Given by Earl of Beauchamp in Honor of the Officers of the Santa Claus Ship Closes Day.

Plymouth, Nov. 25 (via London).—A dinner given tonight by the Earl of Beauchamp, first commissioner of works in the British cabinet, in honor of the officers of the United States naval collier Jason, which sailed for Plymouth, closed a day of the British foreign office and the citizens of Greater Plymouth interested in every possible manner the heartfelt appreciation of the king and the country for the 6,000,000 Christmas gifts sent by the people of the United States to the unfortunate children in the war zone.

Following the arrival of the Jason at Devonport today American flags floated over every public building in Plymouth and from the main masts of all warships and commercial craft in the harbor until sunset. Hundreds of women visited the Jason at Devonport, two miles from Plymouth, after the official reception of the vessel. Among them was Mrs. Waldorf Astor who presented Lieut. Commander C. E. Courtney, U. S. N., in charge of the ship with a beautiful bouquet of chrysanthemums on behalf of the women of England.

Admission to the navy yard at Devonport was only by card but thousands of persons stood outside the gates viewing the Christmas ship from a distance.

Fifty covers were laid for the dinner tonight, which was served in the Royal Hotel. The dining room was a mass of roses and chrysanthemums. The British army and navy were represented by the commanders of the Plymouth fortress and the navy yard. Mayor Baker of Plymouth and Major Waldorf Astor were among the guests.

The Earl of Beauchamp replied to the toast "The King," while Francis Dyke Acland, under-secretary for foreign affairs, responded to "The president of the United States."

Lieut. Commander Courtney, replying to a toast to "The Christmas Ship," said:

"The American navy is glad to discharge such a mission as this—a service which appeals to my heart. Thousands of little ones at home wished the Jason God speed."

John Callan O'Loughlin, representing 200 newspapers throughout the United States, which assisted in collecting the Christmas gifts, speaking to the toast, "The Children of America," reviewed the history of the movement which made possible the collier's playing the role of Santa Claus to the children of the warring nations.

During the dinner the Earl of Beauchamp read the following telegram from Lord Kitchener, the British secretary for war.

"Please express on my behalf and that of the British army our cordial appreciation and grateful thanks for the kind thought of the American people. The welcome freight the Jason carries will bring pleasure to the homes of many of those whose fathers are away."

WOMAN'S COLLEGE GUILD.

The November meeting of the Illinois Woman's College Guild met Wednesday at the home of Mrs. Thomas Hopper on Grove street. Plans were completed for the business men's cafeteria lunch in the economics rooms of Barker Hall at noon and evening of Saturday, December 12.

The new members of the Guild present were Mrs. Fred Honner, an alumnae of the class of 1911 and Mrs. Fletcher Hopper and Mrs. O. Adkinson. A brief social time was spent and the usual program was omitted on account of the business session.

HERMAN HELME

Springfield High School star, who will be seen in game today.

THEN and NOW

Eighty-two years ago today the first street car operated was exhibited in New York. It was a horse car and was built by John Stephenson. This car consisted of three separate compartments, each holding ten persons, each compartment being entered by separate doors on the side from a guard rail. Seats were provided on top of the car for thirty more persons. The car was run on wooden rails and was very much like the English railway coach, though it was considerably lower. It was hauled by a team of horses, the conductor remaining outside on the rail, rain or shine. The company for which it was built was called the New York and Harlem road, running from Princess street on the Bowery to Fourteenth street, then up Fourth Avenue to Harlem. Fourth Avenue at that time had not been opened, but the line had been surveyed to 184th street. The fare paid varied with the distance, it being about 6 1/4 cents or a sixpence from Princess street to Fourteenth street. It was about 25 cents from Princess street to Harlem. But the road did not succeed and after six years operation it gave way to steam cars. This remained 1852, when charters were granted 1852, when charters were granted for 2nd, 3rd, 6th and 8th Avenues, New York.

Today there are in the United States more than a thousand street railway systems with over 45,000 miles of trackage with 300,000 floors and employees and 91,000 cars. The capitalization of the companies was in 1912, \$2,945,299,000. These street railways carried last year over 100,000,000 passengers, more than one fourth of whom received transfers. Practically all this business has been developed within twenty-five years, or since 1889, when the first demonstration was made of scientific practicability of the electric current for the propulsion of street cars in Richmond, Va. Science having shown what could be done, there were developments to be performed in two other fields—in the financing of electric railways and their operation. How swiftly and thoroughly this developed, both physical and financially has been carried on, is illustrated by the above stupendous figures. The street car not only begot a new city but a new type of financier and a new field of engineering and today the results of all this development are so fixed in our civilization that one may ride continuously in trolley cars from New York to Chicago.

Jacksonville's Warm Heart

(Contributed)

That a heart warm with sympathy for any distress or need has ever beat in this community is evidenced by the multiplied cases of charity. Some of these, older ones, like the Woman's Christian association, now toiled and have passed on but their works do follow them. Some, like the Ladies' Education society, which has provided tuition in our colleges for hundreds of young women, still continue to be, in unobtrusive ways, the objects of unflinching devotion of a few. Young men also by the score have made their education furnished them free mainly through the gifts of our citizens.

Not to speak of the many objects of beautiful charity cared for by the churches and lodges or the town or the city and country in this line. Special cases in late years have called out the generous support of our people, such as the Hospital society's work, Free Kindergarten, Anti-tuberculosis organization of which the Open Air School is an offspring, the play ground enterprise and other causes I do not here mention. It is a good list to review and that not for self congratulation or boasting but for cheer and to assure the doubting that no good cause will fail in its appeal to our people.

Now a plan is on foot for the Municipal Christmas Tree, by which no child in the city may miss, it is hoped, some touch of the happy spirit of that holiday.

And in addition to all our local causes calling for help the distressed cry of the poor Belgians touches all our hearts and compels some practical response.

Listen!

For twelve or fourteen years now a society has been in operation in Jacksonville whose main object has been to co-operate with and to serve and to bring about the mutual cooperation of all Jacksonville's charitable enterprises.

To serve them—I say in certain specific ways, viz: by keeping an office and agency for investigation and record of cases of sickness, poverty, homelessness and distress and youthful delinquency in our own community—and then to bring these cases to notice of generous persons who can furnish relief.

Take this matter of investigation. No one who has ever attempted out of a kind and tender heart to aid an applicant for help but has felt helpless, through ignorance of the case, as to how best to render aid. Possibly they remember how they have been fooled in the past, or real stories of fraud and lying beggars. Then too a mere dote at the back door is like salt to an internal disease and at most temporary, not real aid. Sometimes it only helps confirm the applicant in habits of begging and dependence. Investigation by a sympathetic visitor will sometimes reveal conditions which can only be remedied by relief more substantial than a meal. A meal may be needed; give it, but don't let it go at that.

What is wanted to really aid poverty is not merely clothing, or meals, or money but some friendly visitor or adviser who can help to open a way for some measure of self-support and self-respect. A mere "handout" may be the first step to help—in itself it is no real help, oftener it is a sorry relief and excuse to our kind hearts for not doing more.

Every community like ours is bound to have some persons who, from long habits of thrift, temperance, idleness, or bad family surroundings, avoid self effort and have come to expect help without shame. It is easy to see how such could make a feeling appeal to those who don't know them, and in this way sap supplies which should go to the self respecting but deserving poor.

There is need of a central depot where cast off garments can be collected for distribution to cases of genuine distress; where men and women who need and want employment can be put in communication with householders; where cases of seeming distress can be referred for investigation and report; where some one can be on hand daily at a specified time to receive and distribute supplies and entertain calls for help.

Just such an office and such an agent is maintained by the Associated Charities in Unity Building, North Side of West State street. And what has been here written is in large part for the express purpose of calling the attention of our people anew to the fact, that it deserves and needs and ought to have Jacksonville support. It is kept at work by about 200 annual subscribers, but it needs and should have for its continued existence about twice that number.

If you doubt its efficiency, just ask some reliable business man like Wm. Jenkinson, George Gay, Frank Heintz, F. J. Waddell, Dr. Carl Black, John Ward, Frank Elliott or fifty others and see what they say.

This is no competitor for favor in place of the other good causes we are working for. It is a plan for co-operation, mutual service, furnishing information to the charitably disposed.

Haven't you some shoes, or garments you can spare for men, women, children needing protection against this weather.

Send to Miss Weller, or call her up and she will collect them.

Call for a few moments some morning and talk with Miss Weller, the society's agent, who is also the police matron and hear some of her stories of daily experience with the wants she daily supplies and the poor who are daily helped by her ministrations.

In the chorus of urgent calls for help you surely will not lose the urgent cry of the poor who belong to our own community family.

Victor Victrolas, \$15.00 to \$200. J. Bart Johnson.

T. H. FELL CRITICALLY ILL.

Information received by R. M. Hockenhuil Wednesday was to the effect that T. H. Fell, a former Jacksonville resident, is lying at the point of death at his home in Chicago. The letter received by Mr. Hockenhuil was from Mr. Fell's daughter and stated that her father's condition was very grave and that there was little reason to hope that he would again regain consciousness. Mr. Fell is about sixty-seven years of age and his illness has been of some months' duration. He was well known in Jacksonville business circles, for a period of years and was for some years proprietor of the Trade Palace and prior to that time a member of the firm of Metcalf & Fell, with a dry goods establishment on the south side of the public square.

The real "John Bunny" and an excellent company at the Grand Opera House tomorrow night.

WORKING GIRLS PROTEST SOCIETY WOMEN CHAPERONES

New Arrangement Provides Twelve Chaperones, Ten Investigators, a Social Secretary and a Professional Nurse Shall Attend Chicago Municipal Dances.

Chicago, Nov. 25.—"Who will chaperon the society women while they chaperone us," wrote Anna Schmidt, organizer of the waitresses union today in answer to the announcement that a committee of society matrons had been appointed to attend municipal dances and supervise the conduct of the dancers.

"No one would think of a chaperone outside of the society dances, where they could afford such luxuries," Miss Schmidt added in a protest which was one of many to reach the city hall from working girls who took exception to the new arrangement which has been approved by Mayor Harrison. This provides that twelve chaperones, ten investigators, a social secretary and a professional nurse shall attend municipal dances.

"Any attempt to create class distinction at the dances mean their failure," wrote Miss Leah Taylor, settlement worker of Chicago commons. "The working girls know their own worth and independence too well to permit any endeavor by social leaders to draw class distinction."

The rule of the committee that gallery doors must be locked and that dancers keep five inches apart, brought scores of protests.

"It is an insult to close the gallery of the dance halls," said numerous correspondents signing themselves "stenographer" and "central" and "clerk."

"How about the Lake Shore cozy corners, the darkened balconies, the banks of palms. If it is proper for a debutante to steal away from the ball room to a quiet nook why is it deadly for a working girl to sit out a dance with a friend. It is outrageous for these women to talk about their system of espionage. What do they mean by following girls from the dance halls to see where they go?"

Several professional dancers exhibited the modern steps to the committee this afternoon and the members will determine just what ones will be allowed at the municipal dances.

GOVERNMENT REFUSES TO ACCEPT PEACE-MEAL ADOPTION

Cablegram Sent to Ambassador Gerard at Berlin Makes Government's Attitude Clear.

Washington, Nov. 25.—The decided stand taken by the United States government in refusing to accept peace-meal adoption of the principles of the declaration of London as a guide to commercial restrictions to those imposed during the European war was clear today at the state department when the text of a cablegram sent to Ambassador Gerard at Berlin on October 14th was made public.

Mr. Gerard had communicated a preliminary notice that Germany intended to protest to this government against alleged violation of the declaration by Great Britain and France. The German ambassador Count Bernstorff, called at the state department today to lodge the formal complaint and the text of the reply to Ambassador Gerard, copies of which went to all American diplomatic representatives abroad, was the one made public.

It follows: "Please inform the German government that the department's suggestion made to the belligerent countries for the adoption for the sake of uniformity of the declaration of London as a temporary code of naval warfare for use in the present war, has been withdrawn because of the unwillingness of some of the belligerents to adopt the declaration of London without modification. The United States government therefore will insist that its rights and duties and those of its citizens in the present war be defined by the existing rules of international law and the treaties of the United States with the belligerents independently of the provisions of the declaration and this government will reserve the right to enter a demand or protest in every case in which the rights and duties mentioned above and defined by existing rules of international law are violated or their free exercise hindered by the authorities of the belligerent governments."

The message was signed by Counselor Lansing, then acting secretary of state. The declaration of London, framed at an international conference in London from which it drew its designation was designed as a uniform naval procedure for war times to be recognized by all powers participating in the conference.

PISGAH

Charles Wood was a business visitor in Jacksonville last Monday.

Mr. and Mrs. J. B. Beckman were shopping in Jacksonville Tuesday. John Sullivan who has been in North Dakota for several months returned to this vicinity last week.

Mr. and Mrs. Otto Wood and son Glenn and Mr. and Mrs. Alfred Davonport and daughter Hazel visited with Ernest Wood and family Sunday.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and had headache and a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSING, Route No. 1, Florence, South Dakota.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

STATE WEATHER FACTS ARE OF INTEREST

George H. Hall Has Records of Morgan County For Nineteen Years—October a Very Warm Month.

George H. Hall, weather observer at Alexander, yesterday received the weather sheet giving climatological data for the Illinois section of the weather bureau. The facts given in this pamphlet show that the month of October was the warmest since 1900. A killing frost was recorded on the 27th over the southern portion of the district and in part of the northern also, and this was the latest frost recorded for any year since 1879. Mr. Hall's records, by the way, cover a period of about nineteen years and the weather department also has data from Morgan county for two years prior to the time that Mr. Hall began his work. Thus the records for Morgan county are obtainable for a period of 21 years.

Some interesting comparative figures on the temperature in this section are given in the statement. The section includes the twenty-six central counties of the state, the whole of Illinois being divided into three sections.

The figures herewith indicate the mean temperature from 1878 to 1895 and the mean high and low temperatures from 1896 to 1914. These figures are as follows:

| Year | Mean | High | Low |
|------|------|------|-----|
| 1878 | 53.3 | 87 | 17 |
| 1879 | 59.4 | 98 | 21 |
| 1880 | 50.7 | 94 | 14 |
| 1881 | 58.0 | 94 | 23 |
| 1882 | 58.4 | 94 | 23 |
| 1883 | 54.1 | 94 | 23 |
| 1884 | 56.9 | 94 | 23 |
| 1885 | 51.6 | 94 | 23 |
| 1886 | 56.4 | 94 | 23 |
| 1887 | 50.4 | 94 | 23 |
| 1888 | 50.7 | 94 | 23 |
| 1889 | 49.7 | 94 | 23 |

YOUNG FILES OBJECTIONS TO PROBATE OF SECOND WILL

Claims His Wife, Lillian Nordica Young Was Unduly Influenced When Drawing Second Document.

New York, Nov. 25.—George W. Young today filed objections to the probate of the so called second will of his wife, Lillian Nordica Young, the singer on the ground that it was obtained by undue influence, without naming by whom such influence was exerted.

Mr. Young contends the New York surrogate's court has no jurisdiction because Mrs. Nordica was a resident of New Jersey. The real and valid will and testament of Mrs. Nordica, he says has been filed by him as executor in Monmouth county, New Jersey. This will was executed on July 23rd, 1910, and the one offered for probate here was executed Jan. 19th, 1914, on Thursday Island, while Mrs. Nordica was on her last concert tour.

In the will filed here Mrs. Nordica left the bulk of her property to three sisters. It is stated in the will that she estimates that \$400,000 in cash advanced to her husband is the full or more than full share to which he is entitled.

Mr. and Mrs. John H. Russell of Caldwell street, will have as guests at dinner today Mr. and Mrs. E. M. Dunlap, Mr. and Mrs. S. O. Barr, Miss Lucy Barr and Miss Mabel Reid.

THANKSGIVING PROGRAMS IN THE CITY SCHOOLS.

Programs to the Thanksgiving season were carried out at a number of the public schools Wednesday. The exercises were all of a very interesting character. Programs in some of the rooms were as follows:

Piano Solo—Arma Mallory.
Recitation, The Doll's Thanksgiving—Louise Bell.

Recitation, Thanksgiving—Virginia Fortado.
Violin Solo—Helen Rawlings.
Song, Sweet Potatoes—School.

STIMULATES CONFIDENCE IN FINANCIAL CIRCLES

Announcement that the New York Stock Exchange Will Open at End of Week is Business Stimulant.

New York, Nov. 25.—The fact that the stock exchange is to open at the end of the week has further stimulated confidence in financial circles. This was demonstrated today by an announcement of an early resumption of business by the local coffee exchange and by a broader inquiry for securities of the better class, some of which attained to best prices recorded since the exchange suspended operations.

Business dwindled in the unofficial market, which was fast losing all claims to further existence. United States Steel and Amalgamated Copper, which were the favorites there have been practically withdrawn. After recovering to a level little short of July 30th, quotations. Another indication of a general return to normal conditions was furnished by the curb where trading in bonds at stable prices was resumed.

Of all the important factors the steel inquiry almost alone continued to evidence signs of backwardness. Large sales of pig-iron were reported for the last few days but the real state of the trade was shown by the willingness of manufacturers to book orders for the first quarter of 1915 at present prices.

It was generally believed that unless business soon recovered in a marked manner, price concessions and lower wages would soon be announced. Another decline in the rate of money for 90 days to 4 1-2 per cent pointed to the abundant cash resources at this center and bespoke the diminished demand. Local banks were refusing money from interior correspondents on the ground that it was not available for use at this time. Bank acceptances were quoted at 3 7-8 per cent which marked the lowest rate since the establishment of the federal reserve board. Exchange on London was less firm.

PURCHASES PROPERTY.

D. H. Slater of South Clay avenue purchased the Snyder property, 344 East State street and will have it modernized for renting purposes.

PONCE DE LEON FAILED; HIS PRIZE IS FOUND

Ponce de Leon, the daring explorer, searched among the swamps of Florida for the Fountain of Youth, which the Indians said would restore power and make people young. He did not find it.

Thousands of chronic intestinal, bowel and stomach sufferers have written to Geo. H. Mayr, 154 Wabington St., Chicago, in quest of health. They have found it. His remedy, composed of healing vegetable oils from France, has indeed given them back the health of youth.

Why suffer from indigestion, gases on the stomach, fainting spells, torpid liver, constipation and all the evils of a disordered stomach when there is relief here? Mayr's Wonderful Stomach Remedy is now sold here by all dealers.—Advertisement.

PLAIN QUESTIONS TO JACKSONVILLE PEOPLE.

Every Jacksonville Reader Will Admit the Soundness of the Logic.

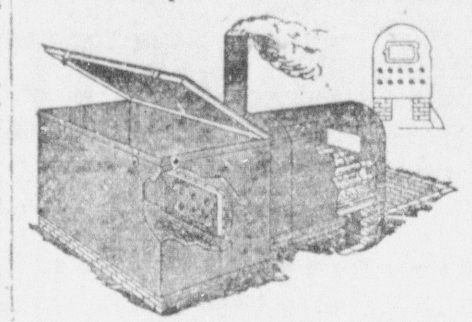

Would Jacksonville people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader.

John Minter, 423 South East St., Jacksonville, says: "I gladly recommend Doan's Kidney Pills, as I know them to be worthy of praise. I have been telling of my experience with this remedy for many years. I took Doan's Kidney Pills for pain in my back and other symptoms of kidney trouble and found them effective. I always advise the use of this remedy when I have an opportunity."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Minter had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

CATTLE FEEDING

Woods' Improved Grain Softener

Pat. Applied for 100 bu. size.

side or used as a part of the grate where the hot coals lay on it all the time. This mush is the very thing to fatten poor horses on. It equals feeding green corn to them and is also great for dairy cows, makes them produce 1-4 more milk.

Yours for producing more beef and pork,

CHARLES WOOD R.F.D. NO. 6

Story's Exchange & Employment Agency

For those who want a fair class of farming land at a moderate price, and do not care if they change locations, we have some excellent farms at the edge of the Illinois river bottom, with upland pasture, and bottom farming land. Also a farm as above described at the edge of Champaignville that is an especial value. We have Springfield and Rockbridge property to exchange for farm land. We have Chicago property to exchange for land or Jacksonville property. We have Missouri land to sell or trade. We have some Morgan county farms that are surely worth the money.

FOR SALE—A nice new seven room bungalow, modern, with barn and chicken house. Built last year, and for quick sale, and possession we offer it for \$2,500.

FOR SALE—A splendid new residence property, in good location, and at a sacrifice. In Murrayville.

TO LEND—Money in various amounts on real estate.

Zion school will give a box supper at the Swedish church Friday night, December 4th. Everybody come and bring well filled boxes.

Rev. Johnson of Peoria held services at the Swedish church Sunday.

Don Curtis was a business visitor in Virginia Wednesday.

"What sort of a family do you suppose lives there?"

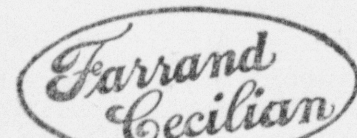

Music and happiness go together. Whenever you pass a house where you hear music, don't you instinctively picture a happy, contented family group on the inside?

Yet in the past its enjoyment has been very much restricted. Only a few could give the years of slavish persistence necessary to becoming proficient.

All this has been changed by the Farrand Cecilian Player Piano.

The Farrand Cecilian Piano is not a "mechanical" music device. It is simply a piano with the need of practical knowledge left out. Any one who likes music can play it.

yourself, you will appreciate its merits. You will certainly want one in your home, since the cost is not prohibitive and the pleasure assured.

FRENCH & SONS' PIANO CO.

C. H. THOMPSON, Manager.

SEND REMAINS TO
CHANDLERVILLE

Funeral of Jonathan Fielden is to
Be Held Friday Afternoon—Dies
at Passavant Hospital.

The remains of Jonathan Fielden who passed away at Passavant hospital Tuesday night at 10 o'clock following an operation which he underwent a few days ago, were sent to Chandlerville Wednesday afternoon at 3:10 o'clock via the C. P. & St. L. Funeral services are to be held at that place Friday afternoon at two o'clock.

Mr. Fielden was born near Chandlerville in 1870 and for some time was a railroad conductor. For some years he has followed the occupation of farming, in which he was quite successful. He is survived by the following brothers and sisters: F. C. Fielden, R. H. Fielden, David Fielden and Benjamin Fielden, all of Chandlerville; Mrs. Lizzie J. Whitell of Kansas City, James E. Fielden of Los Angeles, Calif., and John J. Fielden of Oklahoma.

Attend Westminster bazaar and market Tuesday, Dec. 8th.

J. M. MILLER GOES SOUTH.

Although J. Marshall Miller received no further particulars yesterday with reference to the automobile accident in which his brother, James Miller, was injured near Greenville, Miss., he was in receipt of a telegram advising him to come to Greenville. The message was from W. A. Averman, a resident of Greenville, with whom Mr. Miller has long been on terms of friendship. The message stated that while the injured man was in a somewhat serious condition, that there was no immediate danger, but at the same time it was advisable for Mr. Miller to see his brother. He accordingly left Wednesday afternoon for the south.

Don't forget to order that ice cream from Muller's and Hamilton. Both phones 70.

WITH THE SICK.

Mrs. H. E. Fry, who for the past few weeks has been ill at her home on North Main street, is again able to be about.

Mrs. Mary Munis of East Independence avenue is a patient at Our Saviour's hospital.

John M. King of East Chambers street was taken Wednesday to Passavant hospital. Mr. King, who is over 86 years of age, suffered a fall at his residence Tuesday.

Mrs. Hattie Doying, who for the past five weeks has been a patient at Passavant hospital, was able to be taken to her home on Grove street Wednesday.

Mrs. W. M. Carson has returned to her home on Lorton street after a three weeks illness at Our Saviour's hospital.

Henry Day of North Diamond street, who was injured by jumping from a coal wagon which was struck by a Wabash engine last Saturday and received a number of bruises is still unable to work.

James Jacobs, who has for the past three weeks been at Passavant hospital with typhoid fever, was able to be taken to his home Wednesday afternoon.

Biggest football game of the season—Illinois vs. William and Vashti, 2:30 p. m. today.

MEDICAL SOCIETY TO

HOLD ANNUAL DINNER
The annual dinner of the Morgan County Medical society will be held Saturday evening, Nov. 28th, at the Peacock Inn. Dr. Charles Louis Mix of Chicago will be the guest of honor.

Ross Vandeventer of Mt. Sterling was transacting business in the city yesterday.

RETURNS FROM CONCERT TOUR.

Mrs. E. E. Bullard has returned from West Virginia where she has been on an extended concert tour, assisting Mrs. Helen Brown Read and Mr. Jules Folk, the latter a violinist noted in this country and in Europe.

FOOTBALL TODAY.

You owe it to the college, the team and the Coach to turn out to the big game at 2:30 today, Illinois vs. William and Vashti.

THANKSGIVING PROGRAM BY
WINCHESTER SCHOOL PUPILS

Children of First Six Grades Please
Audience with Musical Evening
Wednesday—Scott County Notes
and Personals.

The pupils of the first six grades gave a Thanksgiving entertainment in the grade school building at Winchester Wednesday evening before a large audience of parents and friends. The program was musical and the songs depicted in costume were "The Gypsies," "The Knights," "The Little Leaves," and "Rainbow Fairies." The program was remarkable for the skill with which each part was carried out and the audience departed, exceedingly well pleased. The children were trained by Miss Louise Frost and Miss Lucille North, who are giving their services as instructors of this winter in the public school of Winchester. The new piano was used for the first time at this entertainment. As no admission was charged a collection was taken at the end of the program to defray necessary expenses and to purchase new stage furnishings.

Young Ladies' Guild.

The Young Ladies' Guild of the Presbyterian church held a bazaar and cafeteria supper Tuesday evening at the chapel. A considerable sum was realized for the work of the guild and all were well pleased with the quality of the supper.

Winchester Personals.

Elmo Coultas of St. Louis is making a Thanksgiving visit at the home of his parents.

Miss Margaret Condit of Astoria is visiting at the home of William Kuechler.

Luther Mason of Canton is in Winchester for a Thanksgiving visit at the home of his parents, Mr. and Mrs. Robert Mason.

Miss Ruth Priest returned Tuesday from Littleton, Ill., where she has visited for over a week.

Mr. and Mrs. R. R. Gasen expected to spend Thanksgiving in Girard with Mr. Gasen's parents.

Robert Woodall and family left Wednesday for Canton to visit relatives.

Mr. Dill, the grocer, and wife are spending the day in Roodhouse.

Miss Emma Moon is in Jackson, Ill. for a visit with the family of W. T. Clarkson on Edgemoor road.

Mrs. T. J. Claywell was a visitor in Jacksonville Wednesday.

MR. WILLIAM T. SUHY AND MISS
VIOLA DUNCAN ARE TO WED TODAY

Ceremony Will Take Place in St. Louis—Both are Popular Young Residents of This City.

A wedding which will come as a surprise to their many friends in Jacksonville is that of Mr. William T. Suhy and Miss Viola Duncan, both of this city, who are to be married in St. Louis today. The young people will go to St. Louis this morning at 6 o'clock via the Chicago & Alton and the ceremony is to take place at the residence of a relative of Mr. Suhy. On their return to Jacksonville they will have rooms at 606 North Church street.

Miss Duncan is a daughter of Mr. and Mrs. Robert Duncan of North Church street and for a number of years held a position as milliner at Herman's. For the past two seasons she has been with a firm at Alton. Mr. Suhy is a son of Mr. and Mrs. William Suhy of West Morgan street. He is a graduate of the Jacksonville High school of the class of 1908 and holds a position as window trimmer at the Myers Brothers clothing store. Both are popular among a wide circle of friends, who will extend their congratulations.

Biggest football game of the season—Illinois vs. William and Vashti, 2:30 p. m. today.

"EGYPTIANS" WILL ORGANIZE.
The Illinois college students residing in southern Illinois are planning an organization to be known as the Egyptian club. As commonly defined "Egypt" is that section of the state below the line of the Baltimore and Ohio Southwestern Railroad, although there are some who contend that the Vandavia line is the northern boundary. The club will have a membership of thirty or more.

Ambrosia ice cream delivered on time, Muller's and Hamilton.

TO LOCATE IN CARROLLTON.
U. W. Wright, who is in the city to attend the Thanksgiving football game at Illinois college, is planning to locate in Carrollton for the practice of law. Mr. Wright, who resides in McLean, Ill., was graduated last June from the law school of George Washington university, Washington, D. C., and a short time afterward was admitted to the bar in Illinois. He was graduated from Illinois college with the class of 1911.

FOOTBALL TODAY.
You owe it to the college, the team and the Coach to turn out to the big game at 2:30 today, Illinois vs. William and Vashti.

WILL LEAVE SWIFT & CO.
Elmer Fawcett, who for the past eighteen months or more has been employed in the beef department at the Swift & Co. plant, will leave the employ of the company Saturday and go to Illinois where he will engage in business for himself. Mr. Fawcett was formerly employed as a butcher at the Jacksonville State hospital.

WILL CLOSE AT 10.
Our meat market will be open till 10 a. m. today.

MR. BERRY J. DAVIS AND MISS MARIE PIEPENBRING ARE MARRIED

Ceremony Takes Place Wednesday Afternoon at Home of Bride—Will Reside in Jacksonville.

Mr. Berry J. Davis of Bowling Green, Mo., and Miss Marie Piepenbring were married Wednesday afternoon at 4 o'clock at the home of the bride, 114 Hardin avenue. Only the members of the immediate family were present to witness the ceremony and the wedding was performed by Rev. M. L. Pontius, pastor of Central Christian church.

The bride is the eldest daughter of Mr. and Mrs. Louis Piepenbring and has always made Jacksonville her home. She received her education in the local public schools and the high school and is an accomplished musician. She is a young lady of many admirable traits of character and has endeared herself to a wide circle of friends. Mr. Davis is a son of Mr. and Mrs. James V. Davis of Bowling Green, Mo., and holds a position as machinist-operator in the Journal's composing room. Although Mr. Davis has been a resident of Jacksonville for a comparatively short period, he has made many friends and both will receive the best wishes of a large number.

Mr. and Mrs. Davis left Wednesday afternoon at 5:15 o'clock via the Wabash for a few days visit with his parents in Bowling Green, Mo., after which they will return to this city.

Perfect in tone. The Edison Diamond disc. J. Bart Johnson.

Mr. and Mrs. Leland Griffith of McNabb are spending Thanksgiving with Mrs. Griffith's mother, Mrs. Margaret Colwell, at Alexander.

"JOHN BUNNY" COMES TO THE GRAND FRIDAY.

John Bunny is the idol of the movies and before the coming theatrical season is half over he will surely become the idol of the entire theatre going populace. To say that Bunny is a popular comedian would be putting it mildly. His pictures have been seen by so many thousands that every man, woman and child will be anxious to see him on the regular stage where he will sing, dance and act when he comes to the Grand Friday night, with the big company of 50 people in the musical jolly—"Bunny in Funland."

John Bunny does not pride himself on being a handsome man. If he were, he would not be the possessor of the thousands upon thousands that have rolled into his coffers during the past four years. Bunny Bunny as he is called, has a good disposition with a face that is familiar to the people in every part of the world. No matter where he goes he is cheered and followed. When John Bunny became a movie star and saw himself for the first time in pictures he said to himself—John Bunny, you're the rankest excuse for a human being that ever drank vichy water. It took Bunny weeks to accustom himself to himself. It was an ordeal. By the end of his starring tour of the world which will last two years that Bunny face will likely have made a million dollars for the Bunny family.

Michigan apples in Cole Bldg., opposite Courier, today. C. Spruit.

WILL SHIP WAR HORSES TO CHICAGO DEALER TODAY

Woods and Pate Buying Animals for Cavalry and Artillery Purposes.

J. W. Woods and John Pate, who have been buying horses for shipment to Europe, will send a load of twenty-two to Chicago today. The horses will be billed to J. S. Cooper, a large dealer who is buying in all parts of the country for the war. More than half of the twenty-two in the car-load which will go today came from Pike county, and Messrs. Woods and Pate are not only scouring Morgan county but the surrounding territory for horses of the kind the European governments are seeking.

The horses required are of two kinds, for cavalry purposes and as "gunners". No horse under five years of age is purchasable, and the range is from five to ten years, though occasionally a horse one or two years older is purchased if the animal has some qualities which make it especially desirable. The horses for the cavalrymen are, of course, lighter than for the other class and must not be over fifteen hands and one or two inches high. The "gunners" are accepted up to sixteen hands high, and must be of blocky build. They are designed for artillery work or for the hauling of heavy wagons. The total shipment of horses from the states of Illinois and Missouri, together with other localities, has run up to an enormous number and the demand is still active, as at least three European governments have been in the market. In view of this demand, those familiar with market conditions freely predict that prices will be considerably higher next spring especially for farm, draft, and all-purpose horses.

VALUABLE BIRD DOG FOR SALE.

A pointer, thorough bred and subject to register, four years old, pith of last September, was trained and highly educated by Frank W. Welch, the noted dog trainer in Mississippi, in color she is white and liver, is steady on quail and retrieves beautifully, also does several minor tricks. Call at 828 West North street and dog will be shown in field action to any prospective buyer.

ATTEND CLINICS.

Dr. Carl E. Black has returned from three days spent in the laboratory and clinics of Dr. George W. Crile of Cleveland, Ohio. He went in company with six other members of the Central Illinois association of Clinical surgeons.

Biggest football game of the season—Illinois vs. William and Vashit, 2:30 p. m. today.

JOE BRIDGES FOUND GUILTY BY VERDICT

WAVERLY YOUTH MUST PAY PENALTY FOR ASSAULT WITH INTENT TO MURDER.

Charles Jackson Pleads Guilty to Charge of Chicken Stealing "to Get a Shorter Sentence"—Jesse Harris Convicted by Jury on Same Charge.

The case of the People vs. Joseph Bridges, charged with assault with intent to murder, was brought to an end Wednesday noon when the jury returned a verdict finding the young defendant guilty of the charge and finding his age to be nineteen years. Attorney Green filed a motion for a new trial. Bridges was charged with an assault with intent to murder, made upon his aged landlady, Mrs. Tudor, at Waverly one night in July 1914.

The case of the People vs. Charles Jackson and Jesse Harris occupied the attention of the court during the entire afternoon. Charles Jackson changed his plea from not guilty to one of guilty during the progress of the trial. The defendant Harris stood trial and the jury returned a verdict about six o'clock finding him guilty in manner and form as charged in the indictment.

The jury chosen to consider this case was composed of the following: W. S. Riggs, William Malan, Frank Ham, William Craddock, Harry Stainsforth, C. A. Hall, W. W. Henderson, Joseph Worrell and John P. Smith of the regular panel and Frank Wigginst, T. B. Buchanan, Jr., and John Shaw from a special venire.

This case is the result of a raid made on the chicken house of Thos. Flynn on Center street on the night of the eighth of last August, when forty fine Buff Orpingtons were stolen. On the morning following the theft it is asserted that a number of heads of the chickens were found in the rear of the chicken house and that later in the morning a sack full of chickens, corresponding to those stolen from Mr. Flynn, was discovered at the home of Jas. Cassin on Volcott street. The defendant, Jesse Harris, stayed at this house and testimony showed that Charles Jackson also roomed there. Testimony was introduced also to show that one of the Buff Orpingtons stolen had a large hump on its back and that this particular fowl was found among the others in the sack.

Jesse Harris, when placed on the stand, declared that he was not away from the house on the Saturday night in question, but had retired about 12 o'clock and that when he woke up the next morning he had discovered the sack full of chickens on the kitchen floor. He did not know where they came from or who brought them there.

About this time the defendant Charles Jackson, after considering the matter and hearing Harris' testimony, decided to enter a plea of guilty. The testimony of Harris seemed to place the blame for the theft upon the shoulders of Jackson.

Jackson was then placed upon the stand for the prosecution and asserted that he did not pay Harris for picking the chickens, as Harris and other witnesses had testified. Judge Creighton asked Jackson what he did with the fowls he had stolen. "I didn't steal no chickens, I just pleaded guilty to get a shorter sentence," answered Jackson.

Judge Creighton was about to strike off the entry of the plea of guilty from the books, asserting that he would not stand for any pleas with strings to them in his court, when the witness recovered himself and admitted the theft.

When asked by the judge if he had paid Harris or had asked him to clean the chickens, Jackson replied:

"I wouldn't pay him to clean his own chickens. I cleaned the chickens I stole and he cleaned the chickens he stole."

This remark brought the trial to a close and the jury was not long in reaching a verdict.

Attend Westminster bazaar and market Tuesday, Dec. 8th.

JOURNAL WILL NOT PUBLISH TOMORROW.

In order to permit Journal employees to enjoy a Thanksgiving holiday there will be no issue of this paper tomorrow.

MORE CORN STALK DISEASE

The corn stalk disease has appeared in Scott county and many farmers east of Winchester have lost horses the past few days. The malady shows little abatement in Morgan county and in eastern Sangamon, seems to be increasing. Farmers are urged to take extraordinary precautions and to prevent the spread of the affection. Horses should not be allowed to nibble stalks nor nubbins in the field and all corn fed should be shelled and well fanned or inspected for any suspicious fungus growth. It is well to chop off the ends of the ears and discard the imperfect ones.

FOOTBALL TODAY.

You owe it to the college, the team and the Coach to turn out to the big game at 2:30 today. Illinois vs. William and Vashit.

REMEMBER THE POOR.
